*Programming for Grant School is provided free of charge by the 21st Century Community Learning Center Grant, Cohort 10. The grant provides for one free no-school day, November 25. All other no-school days are subject to the regular \$17 fee. You must submit a "Permission to Obtain & Release Information" form with your enrollment packet to qualify for free programming. These forms are available at our Welcome Center.

Program Ages

This program serves children ranging from kindergarteners who are potty trained to 8th graders.

Staff/Children Ratios

This program is licensed by DFS. We are required to abide by the DFS staff/student ratios listed here:

- for 5-year-olds: 1 staff/12 children
- for 6–12-year-olds: 1 staff/18 children

We strive to exceed these mandatory ratios whenever possible.

How this Program Works

Before School

You may drop off your children at the Y no earlier than 7:00 am and no later than 7:45 am. You must be physically present to sign in your children; you may not drop them off without signing them in. We will transport your children from the Y to their schools.

After School

We will transport your children from their schools to the Y. Please call us before 3:00 pm on each day you decide to pick up your children yourself. We will feed your children a snack, help them with homework, and give them time to play. You may pick up your children from the Y as soon as they arrive and no later than 6:00 pm. You must be physically present to sign out your children; you may not pick them up without signing them out.

No-School Days

You may drop off your children at the Y no earlier than 7:00 and pick them up no later than 6:00 pm. You must be physically present to sign your children in and out; you may not drop them off or pick them up without signing them in or out. Please send your children with swimming gear, a towel, and a lunch that they can store and eat at room temperature. We will provide a number of fun activities and an afternoon snack.

Things to Know

- There are many things to do here at the Y. We may allow your children to play in the Youth Activity Center (the small gym), we may take them to our classroom for homework and crafts, we may take them to the big gym to play basketball, we may take them swimming, or we may take them across Durbin Street to Armory Park. Sometimes one leader will take a group of children to do a certain activity, and another leader will take another group to do a different activity. If you come to pick up your children and we have to check around for them, it is not because they are lost. Rest assured that your children will always be in the attentive care of one of our DFS-qualified staff.
- If we want to do an activity one day that we don't usually do, such as swimming, we will let you know what your children need to bring.
- Some days we may watch movies here at the Y. We will only show movies with a rating of PG or below.
- We may take photographs or videos of your children for promotional purposes. You may opt out on the enrollment form.
- You or any other parent or guardian may visit the program at any time. Any other visitors must make arrangements with the program director prior to visiting.
- We will make reasonable accommodations for children with special needs so that they may enjoy our programs. We will make all decisions related to the enrollment, placement, or dismissal of children with disabilities or chronic conditions in compliance with the Americans with Disabilities Act.

What We Need

- Your children should wear clothing and shoes suitable for very active forms of play. Please send them with socks inside closed-toe shoes. Please do not send them with money or other valuables. We are not responsible for any lost or broken items. Staff may confiscate any items as deemed necessary by our discretion. They will be returned to you when you pick up your children. We have a lost and found box near our Welcome Center that you may check for lost items. Please note that any unclaimed items will be washed and donated.
- If your child requires prescription or non-prescription medication during program hours, it must be delivered to the program director with a doctor's note. You may not leave the medication in your child's possession. It must be in its original container with your child's name, the medication's name, and dosage instructions. If your child suffers from severe allergies, diabetes, asthma, or another debilitating condition, you must note this on your enrollment packet and speak with the program director directly about what to do in an emergency.
- We cannot register your children until we receive copies of each child's immunization records. All shots must be up to date. If you choose not to immunize your children, you must provide a signed letter of explanation.
- We cannot register your children until we receive copies of any applicable restraining orders or custody restrictions. Please discuss any special family circumstances with the program director.

Pick Up and Drop Off Policy

We will not allow anyone to pick up your children except you, any other parents or legal guardians, and anyone you authorize on our enrollment form. Please note that we legally cannot withhold children from either parent unless we have a copy of a court-issued restraining order. You may not authorize anyone to pick up your children who is under 18-years-old. You and anyone you authorize must always be prepared to present photo ID at any time to any YMCA staff who requests it.

Suspected Abuse or Neglect

We will report all cases of suspected abuse or neglect to the proper authorities. We are not required to discuss the situation with you before making a report. Please note that being 30 or more minutes late to pick up your children counts as a case of suspected neglect. If this happens, we will turn your children over to the police, who will transport them to the Casper Police Department and contact you to pick them up.

Discipline and Discharge Policy

At the Y, we are committed to strengthening our community through youth development, healthy living, and social responsibility. We are dedicated to building healthy, confident, connected, and secure children, adults, families, and communities, targeting four core values: caring, honesty, respect, and responsibility. We expect all of our staff members to follow these core values, and we strongly encourage our members, guests, and children to follow them as guidelines to help enrich their lives and strengthen their communities.

In our before and after school programs, staff and children will be expected to act responsibly and appropriately towards themselves and others. When disputes arise, we will always take time to listen to each party involved and teach patience, cooperation, and reconciliation. We will not tolerate any types of abuse (physical, verbal, emotional, etc.) If a child causes harm to himself/herself or to another person, we will impose any of the following actions at our discretion:

- a time-out (The maximum amount of time per incident will be one minute per year of the child's age.)
- a phone call to the the child's parent (This may mean we want to discuss the child's behavior and implement a correctional plan, or it may mean we are sending the child home early.)
- temporary suspension from the program (The number of days will be at our discretion.)
- expulsion from the program (This will be the last and final correctional step. Please note that a program usually lasts one season, after which you may be able to sign up your child for the new season's program. You are welcome to discuss this with us.)

We reserve the right to use our discretion regarding any of the above disciplinary actions.

We strive to meet the needs of each child enrolled in our programs. We commit to communicate and work with you regarding your needs and the needs of your children in order to make a positive impact. Even so, there are situations in which we are unable to meet these needs.

We reserve the right to discharge a child from any program at our discretion.

We do not offer refunds in the event of suspension or discharge.

In the Event of...

Accident or Injury

All of our staff are first aid/CPR certified. For minor injuries, we will administer first aid and fill out a report for you to review when you pick up your child. For major injuries, we will administer first aid/CPR, seek emergency medical attention, and notify you as soon as possible. Medical expenses incurred will be your responsibility.

Vehicle Failure or Traffic Accident

Our vehicles are equipped with first aid and trauma supplies. In the event of an accident, we will administer first aid/CPR, seek emergency medical attention, contact the authorities, and notify you as soon as possible.

Illness

Your children will be sent home if they have any of these symptoms:

- a temperature higher than 99.9°F
- intestinal disturbance accompanied by diarrhea or vomiting
- any undiagnosed rash
- sore or discharging eyes or ears
- profuse yellow or green nasal discharge
- diagnosed contagious disease such as strep throat or chicken pox
- any sign of lice

Your children must be symptom free for 24 hours before returning to the program, even if they are allowed to attend school.

Fire

We will evacuate the building and meet at a predetermined site, where we will await instructions from the fire department. You will be notified as soon as possible.

Severe Weather

For thunderstorms, we will remain indoors. For tornado warnings, we will remain in an on-site tornado shelter. For extremely unsafe driving conditions, we will cancel at our discretion, and notify you as soon as possible. We do not offer refunds in the event of unscheduled cancellations.

School Cancellations

If school is canceled for an unscheduled reason, our program is also canceled until school resumes. We do not offer refunds in the event of unscheduled cancellations.

Please sign and date to indicate that you have read, understand, and will adhere to all policies and procedures set forth in this Parent Handbook.
