## “STAY WITH US”

For those I haven't had the pleasure of meeting, I am Dondi Cortinas, CEO of the YMCA of Natrona County.

As you are well aware, these are unprecedented times for our community and our country. At the YMCA of Natrona County, we are committed to doing our part to prevent the spread of the COVID-19 coronavirus.

For the health and safety of our community and our team, this has required us to close our facilities and limit our efforts to sanctioned emergency services. We are supporting those who are on the front lines of the fight against this virus and supporting the most vulnerable amongst us.

We are providing childcare for children of healthcare workers, first responders and other essential personnel; offering on-line group exercise classes as well as regular healthy recipes and even story-time for our preschool kiddos.

We are proud to be able to meet these pressing community needs. But due to our scaled-back operations, we need your help.

Specifically, (if you're able) I'm asking you to continue your monthly membership dues or convert your monthly membership dues to a charitable contribution to our Y. If you want to convert your monthly membership dues to a charitable contribution please contact Risa Phillips, senior membership director at [rphillips@casperfamilyymca.org](mailto:rphillips@casperfamilyymca.org).

Your YMCA membership has always been about more than access to a building. Your Y membership is about making connections and building relationships. It's about ensuring everyone no matter who they are or where they come from gets the support they need to reach their full potential. It's about making your contribution to a stronger community. And we need that contribution right now more than ever.

We are committed to being there for you and our community when the tough work of recovery begins. In the meantime, we need you to be there for us to help us deliver emergency services, support our wonderful staff and sustain our organization so we're able to jump back into action when the time comes.

So please, stay with us. Please continue supporting the YMCA through membership or a charitable contribution. And until we see you again, take care, stay safe, be well, hang in there, and pray for us all.

Sincerely,

Dondi Cortinas  
CEO  
YMCA of Natrona County
