» CAMP OVERVIEW

Dear Parents and Caregivers,

We are committed to providing your child with a safe, enriching summer camp experience that incorporates the YMCA core values of Caring, Honesty, Respect, Responsibility, and Inclusion. Camp is a fun place for your child to meet friends and learn new skills. Furthermore, at our Y you can also expect that your child will benefit by learning lifelong skills and building stronger character. Through the week, campers will participate in a plethora of activities that teach our character values while being encouraged and recognized for demonstrating these values throughout their camp experience. Y character counts!

Because our staff team means so much to each of our campers, we focus on selecting, retaining and training the best Camp Counselors. Our staff members are engaging, energetic, fun and excited to spend each day of camp teaching your child. You have made a great investment in your child's future!

Sincerely,

School Age Coordinator

» FAQs

Why choose the Full Camp option?

Our members have the option of Full Camp Enrollment, which means you are paying for all 12 weeks of camp. By paying all at once, you are reserving your child's spot the entire summer, and you are receiving a \$250 discount. Refunds for full camp will be given up to May 22nd.

Are spaces in Summer Camp at the Y limited?

Do you have a waiting list?

In order to best serve our campers, we have a set number of spaces available for Summer Camp. If the specific week of camp you are registering for is full, we will add you to the waiting list. You will be notified if a space becomes available.

Is financial assistance available?

Worried about the cost? Don't be! Financial assistance options are available. State DFS subsidies are accepted. Please inquire at the YMCA for more information and a financial assistance application.

Cancellations

For those who enroll weekly, we understand that circumstances may arise and your child might be unable to attend that week. Our policy states that you must cancel your enrollment one week in advance in order to be given a refund. We do this so that there is enough time to contact and add individuals from the waiting list.
