ACTIVE OLDER ADULTS

Active and Ageless: Classes offer a variety and a balanced focus between the importance of cardio and strengthening with overall body conditioning for all fitness levels.

Fridays: Outdoor walking group; dress for weather conditions. Class will cover approximately 2 miles.

Fit 4 Life: Exercises designed to increase muscular strength, range of movement, balance and activities for daily living using hand weights, resistance bands & balls. A chair is used for seated exercises and standing support. This class can be adapted depending on fitness level and is suitable for beginning to intermediate levels.

SilverSneakers® Classic: Low-impact class with emphasis on cardio and strength for overall functionality utilizing strategic chair exercises. Great class for those just starting a fitness routine, recovering from surgery, and golden agers.

CARDIO

Cycle Beats: High energy cycle class set to hits spanning the decades. Whether you're just starting out or a seasoned spinner, this class is for you!

Cycle and Strength: Cycle & strength provides intense cardiovascular training on the bike, plus off the bike resistance work, to create a stronger, more balanced body.

Group Cycling: All fitness levels are welcome to cycle on a stationary, indoor bike for a low-impact, high aerobic workout. The intensity varies between bouts of high cardio sprints, muscle burning hill climbs, and short spurts of active recovery. Class may include a small segment of strength and conditioning.

HIIT Strength: HIIT will push you to new training heights with this cardio based class. The group-exercise adaptation of this workout has been designed to give participants a safe, challenging, and results-driven experience.

DANCE

Fuel Dance: A combination of invigorating dance and traditional exercise (squats, lunges, planks, light weights) in one energizing session. Set to a playlist that incorporates a variety of music genres including hip-hop, country, pop, rock, and more. Dance your way to fitness in this powerful class.

Zumba® is a fusion of Latin and International music/dance themes that create a dynamic, exciting workout that should be "FUN AND EASY TO DO!" The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body.

MIND & BODY

Power Vinyasa: Explore the postures and principles of Vinyasa yoga in an invigorating full-body flow. Set to music and designed to work every muscle while focusing on breath control for an all-encompassing workout.

Restorative Yoga: Restorative yoga is a style of yoga that encourages physical, mental, and emotional relaxation. Appropriate for all levels, restorative yoga is practiced at a slow pace, focusing on long holds, stillness, and deep breathing.

Vinyasa Yoga: Flowing postures string together using breath to move seamlessly from one to another. Vinyasa classes offer a variety of postures; no two classes are ever alike.

STRENGTH

Barre Sculpt: This low impact workout combines the attributes of Pilates, yoga & dance using repetitive, isolated movements to fatigue the muscles, improve balance & increase flexibility using weights, resistance bands & other props.

BodyPump®: Les Mills original full-body workout that will burn calories, shape & tone, strengthen core and improve bone health.

BodyPumpHeavy®: Newest addition to our strength lineup with heavier weights, a slower pace and more recovery time!

Fusion Fit: Get fit by fusing elements of Barre, Pilates, yoga and strength training in an energizing session set to an upbeat playlist.

Lift Rx: This power class is designed for optimal success. Each class begins with a warm-up, focus section targeting arms/legs, and a cooldown to give you a full workout in a short amount of time.

POUND®: This workout is a full body concert for your body & you are the drummer. Pilates inspired moves, squats, lunges, cardio & intense core engagement are on the playlist, all while holding lightly weighted Ripstix® & drumming to high energy music.

Strength & Conditioning: HIIT circuit class focusing on strength and conditioning using classic, progressive overload and time under tension strength training. Stay for 2, 3, or 4 rounds!

STRONG Nation®: STRONG Nation® combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music. Every squat, lunge & burpee is driven by the music, helping you make it to that last rep, and maybe even five more.

YOUTH

Generation POUND® (Ages 6-12): This movement aims to change the concept of health & fitness for today's youth. Get ready to make fitness about self-expression, empowerment & fun by MOVING & making noise!

WATER FITNESS (suitable for any fitness level)

Aqua Fit: This low impact class is held in shallow water & is designed to improve joint stability, mobility, heart health & strength. Elements of cardio, HIIT, resistance, strength & conditioning will be added on alternating days.

SilverSneakers® Splash:

Deep water exercises that focus on improving strength, balance, and flexibility with low impact on the joints.

Water Up: Enjoy the low impact benefits that aquatic exercise can offer to anyone in the deep and shallow ends. Elevate your heart rate to fun music and achieve personal goals such as: toning practically every muscle in the body, weight loss, and even relaxation!
